

The Chocolate Song

All right ladies and gentlemen, boys and girls
Stop what you're doing,
sit back, relax and listen to the story of max

It's time to sing along with the chocolate song

Bonjour, ce qu'on va faire c'est tout simple comme un, deux, trois
C'est la chanson du petit garçon en chocolat
Il est sympa, il est tout à fait intelligent
Il joue le foot
Et il reste relax
on l'appelle le max
ça c'est le max
ça c'est le max

one two three,
come along with me
let me show the fruit of the cacao tree

four five six
let me show you me football tricks
but did you notice from this fruit they make chocolate brix.

seven eight nine
I used to be working all the time
but now I go to school and I am feeling fine

ten eleven twelve
we're taking care of ourselves
the future is looking great since we became Fairtrade
ça c'est le max
ça c'est le max
ça c'est le max
ça c'est le max

ah oui, le max
Everybody is crazy about chocolate
all the girls are screaming oh lala
Everybody is crazy about chocolate,
coming from the trees of Africa

Here is an amazing fact, is that so?
More than one a half million depend on cacao
two hundred thousand children get no school education
Cause they're working fulltime on the cacao plantation

It's time to make a change

It's never too late to make a change
U can help them all to school when u buy Fairtrade

ça c'est le max
ça c'est le max
ça c'est le max
ça c'est le max

Maintenant vous connaissez la chanson
c'est très facile comme un deux trois

one two three,
come along with me
let me show the fruit of the cacao tree

four five six
let me show you my football tricks

seven eight nine
we are granting and
we're feeling fine
we're feeling fine

ça c'est le max
oui oui, mes amis
when u buy Fairtrade u help a child in need
chocolate can be bitter but hey life can be so sweet
